Hybrid, in person or virtual

Address:

5097 N. Elston Suite 305

Chicago, IL 60630

### **About the job**

Position Overview: Clinical psychotherapist and/or expressive therapist, or other healing modality trained individuals will provide outpatient individual and group therapy to patients of JKorotko Counseling & Art Therapy, PC. Services can include treatment of children, adolescents, adults, couples and families. We are currently looking for individuals who are culturally competent, trauma-informed, social justice minded, familiar with bottom up therapy modalities and excited to be a part of a diverse trauma recovery focused team. LPC, LCPC, LCSW, PsyD and PhD encouraged to apply. Other types of healing professionals are encouraged to apply. The office has a massage table and currently has a Reiki Master seeing clients in the space.

About: JKorotko Counseling & Art Therapy, PC, has been around since 2010 and recently moved to the Jefferson Park area. We focus mostly on creative arts therapy and somatic experiencing trauma therapy within the practice. We have a diverse team who utilizes a variety of bottom up approaches to work with trauma symptoms in the body. Our mission is for everyone to feel seen and validated, including those who work for the practice. Clinicians who work for JKorotko will have access to supervision from a trauma expert currently assisting in multiple Somatic Experiencing Trauma trainings within the US. Clinicians who work for the practice will benefit from the owner's emphasis on self care and access to bi-weekly case consultations.

Reports to: Jenifer Korotko ATR, LCPC, SEP/Owner

Openings:

Part-time and Full-time at least 5 clients a week up to 20 clients a week.

Monday, Tuesday, Thursday and Friday 2pm-9pm are times that are currently open at the office for in person sessions. Saturday late afternoon and all day Sunday are times that are currently open at the office for in person sessions. Hybrid (both telehealth and in person) highly encouraged.

Duties/Responsibilities align with that of a contract clinical worker. Contract clinicians will be responsible for their own equipment including art supplies but will also have full access to what JKorotko provides in the office space. Contract workers will have access to the massage table if they are getting trained or already trained in healing touch therapies including BASE, Reiki and Somatic Touch therapies. Contract workers will have access to TheraNest, the software program the practice uses for notes, billing and telehealth. \*\*\* Becoming an employee is a possibility after 90 days of contracting and development of a fuller case load. \*\*\*
