Programs

May 2nd 7-9 pm central time will be Makiko's program.

You are infecting your community: Exploring Asian Art Therapist identity through metaphor, symbolism, and imagery.

Event description: done

NBCC Ceu approval is in the works.

Makiko and Rebecca will find a time to do tech before.

Ethics and Cultural will be covered for ceu topics.

Meets ethics requirement for renewal.

Also an event on June 22nd about Asian ink painting. \$60 non member, \$55 member. Max 12 people. Condense and rework the course description she sent and make decision on if we will be hosting the event. We will ask her if she can do a morning session and afternoon session so we can have two events. We will ask her to confirm that the site is ADA accessible.

Followed back up about hosting event at Erin's office. Tentative day and time, sometime in April on a weekend 2-4PM.

Government Affairs

Waiting to hear from state reps office, probably need to make some amendments. Arts alliance in IL wants to support us. GAC and Amber will work with Megan to have a post with updates, will have another meeting with Meredith before our next meeting.

Once amendment is posted, we will post another social media post.

Communications

Working with programs to finalize sumi ink painting workshop.
