- Sponsors - Events will work on this. Put ads for approved sponsors on the website, so we can offer them something back. Start with the conference ... please support Illinois art therapists and students, we can offer ads on the website and have a space at the conference, it is tax deductible. Why they should care that we represent art therapy/art therapists... what do they need, what kind of space, posters, etc. Want to put the ad in the conference brochure and website, announcement at the beginning of the conference that we thank them, how much to charge for full page, half page, quarter page ad in the brochure. If you donate X amount, here is what you are getting back. \$100 for 140 characters mentioned, for example. Marketing will collaborate with Conference committee to get these sponsors.
