Seeking a Creative Arts Therapist

About Us:

InTouch & Motion is a growing private practice in Old Irving Park and Ravenswood that offers creative therapies and healing arts to individuals, families, and couples. We offer a spectrum of services including psychotherapy, dance/movement therapy, art therapy, past-life regression therapy, heart-centered hypnotherapy, group therapy, and mind-body wellness based workshops.

About the Position:

We are seeking a registered or board certified art, drama, music, or poetry therapist to join our team of creative arts therapists. The ideal candidate would have trauma-informed experience as well as confidence and competence working with diverse populations and age ranges. Persons with training and interests providing LGBTQAI+ affirming, children and family, and/or couples therapy modalities are encouraged to apply.

The therapist would complete intake, assessment, and treatment for their assigned clients. Opportunities to offer group therapy and wellness workshops, as well as collaboration with other holistic wellness and creative arts therapy practitioners are available. While individual and group supervision support is provided, he/she/they should be experienced, independent, driven, and dependable. Clients are provided by InTouch & Motion, but the therapist will also participate in networking, as needed, building referrals and community partners to target their ideal client populations.

This is an employee position, not a contract position, and LPC/LSW is required with a minimum of two years experience. LCPC/LCSW is preferred. Ability to work three weekday evenings and a minimum of four weekend hours at our Old Irving Park location is required. The position includes offering teletherapy and in-person therapy. Candidates with a desire to grow into full-time hours with 25 sessions per week are encouraged to apply.

InTouch & Motion is an Equal Opportunity Employer:

We are welcoming and accessible to all persons, regardless of gender, race, ethnicity, religion, disability or sexual orientation. We embrace diversity and equal opportunity in a serious way. We are committed to building a team that represents a variety of backgrounds, perspectives, and skills. The more inclusive we are, the better our work will be.
