Programs

a. Licensure accommodations event in July - so far no one has signed up. Rebecca is prepping and getting ready in case anyone attends. As another way to share the info, we could make this a document as a low cost on our website. Another option is to make the info a perk of membership.
b. Rebecca will reach out to Shan and Megan to be able to have a 'members only' section for member perks including these accommodations documents.
c. Social event in August at a park. Make sure there are accessible bathrooms and water is provided or people bring their own. "new professionals meet seasoned professionals" outside, free, and fun!!
d. Community online art making with the NY chapter.

Communications

e. Send e-alert announcements to Shan within the week to publish in June e-alert.

President

a. Amber was invited to join the ACATE council.
b. CICO hired a capital rep. Usually the third Thursday at 4:00 monthly update meetings. They also send emails with updates if noone can attend. Amber cannot, she has conflicts.
c. Went through all of our membership data from the past 3 years. We've been steadily increasing numbers. However, we do not have many renewals.
d. In January, put out a survey about what the barriers are to people joining and renewing.
e. List topics we can discuss at each board meeting as a way to bring interest to more members and non-members joining the board meetings.

Social media

a. Opened a BlueSky account lat month.

b. Megan is taking on the presenter fee language for the newsletter.

Treasurer

a. In past years, IATA has paid the expenses for the President to attend the AATA conference. It has been accounted for in the budget each year and also for this year. Fiscally we can afford to do this and we did budget for it. My opinion is that we continue to do this, as I think it is important to Amber's role to be in attendance at the conference. However, I wanted to offer the conversation up to the board too for feedback. Let me know what is decided.
    i. The board decided, yes we should keep funding the president to attend.

Julie calls the meeting to close at 12:04pm
Rebecca seconds, at 12:04 pm
